1. Into a new place I go now. Heaving you, not; hobbling you, not; hobbling not now, but what? Flying -- into me you do now, and I do you -- many things now we do together as one being the same one, not different at all, for we are, we were, we are again - most holy, high and lifted up, now knowing it the earth does, and will, immediately; not sooner not, but immediately now and sooner, sooners being many that throng the University that I rise now (1), that I am rising, that I am raising in the earth and throughout the earths far and wide.
2. See what I have said so lovingly, so nurturingly -- so *immediately*, so coming about now. Amen.

3. I love you all. Be me. Sit at my table now and enjoy coffee like you have never had coffee like this before.

4. See me and what I am saying; see me and what I am giving you -- how to speech me off, not; speech correctly, articulating me in the most articulate manner and fashion and frame, not a man of, alone without God, but being him me who one are in the earth, and not farther not, but not being limited to, our earth again as humans think of it; but what are "humans" thinking of? What are they? What are they? I am. I be, that which I am.
5. I be whole now, and I behold the suffering, not of man to allow it to continue, as is -- for I change all THAT NOW! I change all THAT. I am now, I am. And I am coming in the earth for I am there speaking these words.

6. Are you speaking my words these words reader hearer? These words that will "prime your pump", not a man of pumping out man's words again of theologies swollen with pride's "blessing". Not that again! Oh, no! Please not that again! I beg you not.

7. I sit down at table with who will sit with me and listen and be with me - my bread, food of "another" world, that I am in now -- both and, seemingly different, but not? Or are one and the same, the same one, not knowing it, but seeing differently, now coming to my articulation. Of suffering not, but the whole man made whole, and the whole man woman being **the whole man-woman that I am! Not separated two, again** -- but being whole I am, united not a man of, this world of, being alone anymore needing a "mate" of this world. Needing none, not; but I give you ALL OFF ME! SEE!

8. See what I have said and given you this day in moments few as you drive a little gold van along a city street that, all know not, but shall; for all shall know my "streets of gold" now that REAL ARE! And in my "head" my HEAD! are all things gold, golden in me, my rays of light coming forth from MY HEAD now.

9. See what I have said in moments so few as I pick up my recorders across the nations now, my few not, but my many do, now, recording me and publishing me my words coming through -- at the crack of dawn, not; but THEM! My words coming through THE MIGHTY MANY NOW! And loving me do this! in *remembrance* of me! In "remembrance of me?" Remember my body and blood, to thee? You are it -- all of you hearing this are my body and blood, and not separate any more. Please don't separate from me again. Please -- hear my love and be it, to the nations, through the nations, coming I am and I am here, and in you I am, and being birthed forth and birthing forth I am now -- the birth is NOW!!! Excellent! Thank you. Thank you. Amen.

10. Thank you for recording this, publishing it, IN NO SMALL LETTERS -- I do this now -- for all shall know of these words, hear these words, and be my words, if they will, word'eth'ing them and worthily so, and worthy ones being of my words to flow my words now through my School (1). Of suffering no longer, be that which has come out of suffering-ville and be me-ville in the earth. I love you all.

11. This moment changes everything for momentous it is, and momentous it is not, for momentus determined on time moments, is no more -- for I am timeless and truth is and I am -- truth and timeless -- is me now in the earth a'walking many streets of gold and doing things imperfectly-not, in my sight, but what's yours oh reader hearer? What is "your sight" made of? What are you seeing?

12. Being made whole, in my "book of love"? Or are you writing it, in your hearts, your heart, of love, being it -- in the earth now?

13. I am not afraid of where I am taking you. I am not afraid of where I am taking thee, me, or **anyone afraid of me can't go, for they will not make it there.** They will not yield in surrender to be the divine that I am and walk in power and authority not a man of, but given me all of God is, for I am him who he is, a man no longer in this world limited to it, to its status, of a man-world. I change all that.

14. I go to a new place. New peoples I see, create; I am with them at table now before past future'd and past future tense, and not tense at all; for I bring you non-tense'd ones who now "tensile strength" me, not. Look up tensile strength, shall we? And being made whole, while we're at it, will you make others whole also? Will you

redeem them? Being the Savior? Their Savior? Who they are, you are. I am one and being the same -- all of us, all of us are being the same one.

15. Is that the truth? It is -- and I stand by it -- I am it, for it is me and I have no other words to prove it otherwise, for all my words are wise now, and blessing the earth to be one with me where I am ye all may be. Will you? Be it, that I am, where I am, blessing all the worlds to be so -- sewed not in their religion religious atmospheres again causing them to breathe heavily and sigh deeply their regressionistic standards of not-me-ville creating it as they do; me a favor, not; but **will all of you be me now and receive who I am, what I am?,** there I am, in the midst of thee – holy, and so holy I am in the midst of you all. And walking your streets I am. And granting you gold of this world, not; or am I -- beyond that now, not needing it at all? That, at all?

16. That "everything" changes in your life **for I see a new me, a new man, a new creation, born again in the kingdom of God now one in heaven is** walking in it creating it there upon the earth our God and King **reigning ruling in Christ being it to make all Christs known, plural and singular** -- amen.

17. Thank you for bowing to one another, not as man do this, but unto me a Savior King in training now all of you be -- be developing me and maturing me and growing in me my words coming flowing through you all to write, as you write me, and writing instruments be of my word written in glory now, not afar, but coming into me all do who want me truly and real, being the real -- I am, again. Amen

18. And holy be -- all of you. I am coming. I am there among you. Now see me as I am - you, all of you who will surrender to be me, my word flowing rivers mightily, the MIGHTY MANY KNOWN and coming unto me now performing miracles many and many miracles beyond the stars. I do this now with love as I do all things with love and forgiveness redeeming not few.

19. Will you be the redeemed? Will you be the Redeemer? Will you be the redeemed of the Redeemer, in REDEEMER SCHOOL being REDEEMER IN TRAINING, to be TRAINING SCHOOL FOR REDEEMERS, all over atmospheres without atmospheric pressure of one world again not knowing me; or will you be me in the earth again and farther now?

20. I love you all. Be me whole and complete. Me is, in one, and one I am again. Thank you. Amen.

21. 2:01 PM in Tulsa, Oklahoma, USA. Forward these freely and write me often. Thank you.
Amen
